VERY IMPORTANT SAFETY RULE— No candy, prizes, or objects may be thrown from floats or moving vehicles. Candy *will* drop into the street and kids *will* go after it which creates a potentially dangerous situation for drivers, especially large vehicles. If you wish to distribute items, please have walkers to hand items directly to the crowd.

MUSIC—We encourage musical entries! Participants that plan to have music as part of their entry, please check "Musical" below as this information affects the line-up order. We want to spread out those entries for best sound.

SPACING—Please help us avoid gaps in the parade. Keep a safe distance between you and the entry in front of you, but keep no more than 50 feet. Keep pace with the entry in front of you, not the pace of your walkers.

Special requests for parade line-up must be noted on the application - no verbal requests please. The Parade Committee will attempt to accommodate your request if possible. Please keep in mind that the first several spaces are always reserved for our Grand Marshal, dignitaries, and special guests along with emergency vehicles.
